The Borough Administrator opened Public Comment again.

Anna Polozzo, 12 Citadel, asked Councilman Handshy why he voted no on the Resolution for Police Accreditation?

Councilman Handshy stated that he believes the Police Department is doing a fine job, and the additional cost of \$20,000 to go through the process doesn't justify the incremental savings.

Ms. Polozzo, further advised that the South Toms River Elementary school is in the process of installing the handicap curb, and is expected to be completed by next week. With regard to the school referendum, public meetings will be held on February 29th at 6pm at the STR Elementary School, and 8pm at the Intermediate school. They further discussed security at schools.
