ESTABLISHMENT OF ISSUE PRICE

(a) The winning bidder of the Notes shall assist the Issuer in establishing the issue price of the Notes and shall execute and deliver to the Issuer at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the Public or the sales price or prices of the Notes, together with the supporting pricing wires or equivalent communications, substantially in the forms reflected as Exhibits B, C or D, which are incorporated by reference herein and are available from Bond Counsel and shall be posted with the Notice of Sale on the Issuer's website, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the Issuer and Bond Counsel. All actions to be taken by the Issuer

under this Notice of Sale to establish the issue price of the Notes may be taken on behalf of the Issuer by the Issuer's municipal advisor, if any, identified herein and any notice or report to be provided to the Issuer may be provided to the Issuer's municipal advisor or Bond Counsel.

(b) The Issuer intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the "competitive sale requirements") because:

(1) the Issuer shall disseminate this Notice of Sale to potential Underwriters in a manner that is reasonably designed to reach potential Underwriters;

(2) all bidders shall have an equal opportunity to bid;

(3) the Issuer may receive bids from at least three Underwriters of municipal Notes who have established industry reputations for underwriting new issuances of municipal notes; and

(4) the Issuer anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Notes, as specified in the bid.

(c) If the successful bidder is purchasing for its own account without a present intention to reoffer the Notes, it must complete Exhibit B, and the provisions of paragraphs (d) – (i) below shall not apply.

(d) In the event that paragraph (c) does not apply and the Competitive Sale Requirements are satisfied, the winning bidder must complete Exhibit C, and the provisions of paragraphs (e) – (i) below shall not apply.

(e) In the event that paragraph (c) does not apply and the Competitive Sale Requirements are not satisfied, the Issuer shall so advise the winning bidder and the winning bidder must complete Exhibit D. The Issuer may determine to treat (i) the first price at which 10% of a Maturity of the Notes (the "10% test") is sold to the Public as the issue price of that Maturity and/or (ii) the initial offering price to the Public as of the Sale Date of any Maturity of the Notes as the issue price of that Maturity (the "hold-the-offering-price rule"), in each case applied on a Maturity-by-Maturity basis (and if different interest rates apply within a Maturity, to each separate CUSIP number within that Maturity). Immediately following the award of the Notes, the winning bidder shall advise the Issuer if any Maturity of the Notes satisfies the 10% test. Any Maturity (and if different interest rates apply within a Maturity, any separate CUSIP number within that Maturity) of the Notes as to which the winning bidder has not so advised the Issuer that the 10% test has been satisfied shall be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation in the event that the hold-the-offering-price rule applies to any Maturity of the Notes. Bidders should prepare their bids on the assumption that some or all of the maturities of the Notes

will be subject to the hold-the-offering-price rule in order to establish the issue price of the Notes.

(f) By submitting a bid, the winning bidder shall (i) confirm that the Underwriters have offered or will offer the Notes to the Public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the Underwriters participating in the purchase of the Notes, that the Underwriters will neither offer nor sell unsold Notes of any Maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the Public during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the Sale Date; or
- (2) the date on which the Underwriters have sold at least 10% of that Maturity of the Notes to the Public at a price that is no higher than the initial offering price to the Public.

The winning bidder will advise the Issuer promptly after the close of the fifth (5th) business day after the Sale Date whether it has sold 10% of that Maturity of the Notes to the Public at a price that is no higher than the initial offering price to the Public.

(g) If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each Maturity of the Notes, the winning bidder agrees to promptly report to the Issuer the prices at which the unsold Notes of that Maturity have been sold to the Public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) all Notes of that Maturity have been sold or (ii) the 10% test has been satisfied as to the Notes of that Maturity; provided that, the winning bidder’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or Bond Counsel.

(h) The Issuer acknowledges that, in making the representations set forth above, the winning bidder will rely on (i) the agreement of each Underwriter to comply with the requirements for establishing the issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Notes, as set forth in an agreement among Underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Notes to the Public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing the issue price of the Notes, including, but not limited to, the agreement to comply with the hold-the-offering-price rule, if applicable to the Notes, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Notes to the Public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing the issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Notes, as set forth in the third-party distribution agreement and the related pricing wires. The Issuer further acknowledges that each Underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing the issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the

Notes, and that no Underwriter shall be liable for the failure of any other Underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement regarding the requirements for establishing the issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Notes.

(i) By submitting a bid, each bidder confirms that:

(i) any agreement among Underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable: (A) (i) to report the prices at which it sells to the Public the unsold Notes of each Maturity allocated to it, whether or not the Closing Date has occurred, until either all Notes of that Maturity allocated to it have been sold or it is notified by the winning bidder that the 10% test has been satisfied as to the Notes of that Maturity; provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals upon request of the winning bidder and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, (B) to promptly notify the winning bidder of any sales of Note that, to its knowledge, are made to a purchaser who is a related party to an Underwriter participating in the initial sale of the Notes to the Public, and (C) to acknowledge that, unless otherwise advised by the Underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the Underwriter, dealer or broker-dealer is a sale to the Public.

(ii) any agreement among Underwriters relating to the initial sale of the Notes to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Notes to the Public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the Public the unsold Notes of each Maturity allocated to it, whether or not the Closing Date has occurred, until either all Notes of that Maturity allocated to it have been sold or it is notified by the winning bidder or such Underwriter that the 10% test has been satisfied as to the Notes of that Maturity; provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals upon request of the winning bidder and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such Underwriter and as set forth in the related pricing wires.

(j) Sales of any Notes to any person that is a related party to an Underwriter participating in the initial sale of the Notes to the Public shall not constitute sales to the Public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

(i) “Public” means any person other than an Underwriter or a related party,

(ii) “Underwriter” means (A) any person that agrees pursuant to a

written contract with the Issuer (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Notes to the Public),

(iii) a purchaser of any of the Notes is a “related party” to an Underwriter if the Underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “Sale Date” means the date that the Notes are awarded by the Issuer to the winning bidder.

The Notes will be non-callable general obligations of the Borough payable ultimately from *ad valorem* taxes levied upon all taxable property within the Borough to the extent that payment is not otherwise provided. The full faith and credit of the Borough will be pledged for the punctual payment, in accordance with their terms, of the principal of and the interest on the Notes. The Notes will be “qualified tax-exempt obligations” for purposes of Section 265 of the Internal Revenue Code of 1986, as amended. Interest on the Notes and any gain from the sale thereof will be excludable from gross income under the New Jersey Gross Income Tax Act.

As a condition to delivery of the Notes, the successful bidder for the Notes will be required to execute a receipt therefor containing a certification that either (i) it has made a bona fide public offering of the Notes at a stated initial offering price or prices and at least ten percent (10%) of the Notes have been sold to the public (excluding bond houses, brokers or similar organizations acting in the capacity of underwriter or wholesaler) at such initial offering price or prices as would produce a yield to the purchaser(s) thereof equal to a stated percentage per annum, and, it has not entered into any arrangement with any third party to repurchase the Notes in order to enable the successful bidder to reoffer the Notes at higher prices, or (ii) it has not reoffered the Notes to the public and has no present intention to reoffer the Notes to the public. In addition, the certification shall address such other matters as Bond Counsel reasonably may request of the successful bidder.

It is anticipated that CUSIP identification numbers will be printed on the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Notes in accordance with the terms of this Notice of Sale. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the Borough; provided, however, that the CUSIP

Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchasers.

The successful bidder of the Notes is advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission ("ELEC") pursuant to N.J.S.A. 19:44A-20.13 (P.L. 2005, c.271, s.3) if the successful bidder enters into agreements or contracts, such as its agreement to purchase the Notes, with a public entity, such as the Borough and receives compensation or fees in excess of \$50,000 in the aggregate from public entities, such as the Borough, in a calendar year. It is the successful bidder's responsibility to determine if filing is necessary. Failure to do so can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

No Preliminary Official Statement or other offering document will be prepared by the Borough for this issue. However, certain financial information concerning the Borough is available upon request. For such information please contact the undersigned Chief Financial Officer at the above address, telephone number (732) 349-0403.
